I mesmerize
I hypnotize
I got you wanting more then you could ever need
You gotta rubber
Wanna be my lover
Baby boy
I'm all you'll ever need

How many licks does it take to get to the center of your
lollypop
How many licks does it take to get to the center of your
lollypop
How many licks does it take to get to the center of your
lollypop
How many licks does it take to get to the center of

I want your loving
No lovey doving
Come on baby boy
Grind with me
You gotta lick it
Before we kick it
tell me them words that I wanna hear

I'll tie you up make your body scream
Make you do things that you never do see
Put it on me your whipped cream
My whipped cream bikini is all that you need
How many licks does it take to get to the center of your
lollypop
How many licks does it take to get to the center of your
lollypop
How many licks does it take to get to the center of your
lollypop
How many licks does it take to get to the center of

Do you like it
Cause you know I do
Do you want me
Cause I know you do

I'll do anything that you wanna do

I'll say anything that you want me too

How many licks does it take to get to the center of your
lollypop

How many licks does it take to get to the center of your
lollypop

How many licks does it take to get to the center of your
lollypop

How many licks does it take to get to the center of

I'll do anything that you wanna do

I'll say anything that you want me too

I'll do anything that you wanna do

I'll say anything that you want me too
