"Can't Relate"

Take a ride abuse it
Anything could stand in your way
You don't need excuses for yourself or anybody else
And besides without it can't relate
Not about to throw it all away
We're all swimming in the bottles of our own accord
I'm not saying you've gone overboard my friend
It's only I don't care what people say about me
I don't care
And besides without it can't relate
Not about to throw it all away
And if I refuse it can't relate
I don't wanna throw it all away
