I'll keep moving until I can't move
I left everyone behind
I'll turn the music up
So I can't hear all the voices from inside

Got my eyes on the prize Gonna keep it keep it right here

You can never know the things I do Never see the places that you drove me to I know I went there on my own And now I've earned my keep alone

Got my eyes on the prize Gonna keep it keep it right here

Hoping now won't be found Not afraid not today

Got my eyes on the prize Gonna keep it keep it right here
