

Fray **"Be Still"**

Be still and know
That I'm with you.
Be still and know
That I am here.
Be still and know
That I'm with you.
Be still, be still and know.
When darkness comes upon you
And covers you with fear and shame.
Be still and know that I'm with you
And I will say your name.
If terror falls upon your bed
And sleep no longer come
Remember all the words I said
Be still, be still and know.
When you go through the valley
And shadow comes down from the hill.
If morning never comes to be
Be still, be still, be still.
If you forget the way to go
And lose where you came from
If no one is standing beside you
Be still and know I am.
Be still and know
That I'm with you.
Be still and know I am.
