In the night I hear 'em talk, the coldest story ever told  
Somewhere far along this road he lost his soul  
To a woman so heartless  
How could you be so heartless?  
How could you be so heartless?

How could you be so cold?  
As the winter wind when it breeze yo  
Just remember that you talkin' to me though  
You need to watch the way you talkin' to me though

I mean after all the things that we've been through  
I mean after all the things we got into  
Yo, I know of some things that you ain't told me  
Yo, I did some things but that's the old me

Now you wanna get me back and you gon' show me  
So you walk around like you don't know me  
You got a new friend, I got homies  
In the end it's still so lonely

In the night I hear 'em talk, the coldest story ever told  
Somewhere far along this road he lost his soul  
To a woman so heartless  
How could you be so heartless?  
How could you be so heartless?

How could be so Dr. Evil?  
You're bringin' out a side of me that I don't know  
I decided we weren't goin' speak so  
Why we up 3 a.m. on the phone?

Why does she be so mad at me for?  
Homie, I don't know, she's hot and cold  
I won't stop, won't mess my groove up  
'Cause I already know how this thing go

You run and tell your friends you're leavin' me  
They say that they don't see what you see in me  
You wait a couple months and you gonna see  
You'll never find nobody better than me

In the night I hear 'em talk, the coldest story ever told  
Somewhere far along this road he lost his soul  
To a woman so heartless  
How could you be so heartless?  
How could you be so heartless?

Talk and talk and talk and talk  
Baby let's just knock it off  
They don't know what we been through  
They don't know 'bout me and you

So I got somethin' new to see  
You just gon' keep hatin' me  
And we just gonna be enemies

I know you can't believe  
I could just leave it wrong  
And you can't make it right  
So I'ma take off tonight into the night

Hear 'em talk, the coldest story ever told  
Somewhere far along this road he lost his soul  
To a woman so heartless  
How could you be so heartless?  
How could you be so heartless?

Hear 'em talk, the coldest story ever told  
Somewhere far along this road he lost his soul  
To a woman so heartless  
How could you be so heartless?  
How could you be so heartless?
