Some things we don't talk about
Rather do without and just hold the smile
Falling in and out of love
Ashamed and proud of, together all the while

You can never say never
While we don't know when
But time and time again
Younger now than we were before

Don't let me go
Don't let me go
Don't let me go

Don't let me go
Don't let me go
Don't let me go

Picture, you're the queen of everything
Far as the eye can see under your command
I will be your guardian when all is crumbling
I'll steady your hand

You can never say never
While we don't know when
But time, time and time again
Younger now than we were before

Don't let me go
Don't let me go
Don't let me go

Don't let me go
Don't let me go
Don't let me go

We're pulling apart and coming
Together again and again
We're growing apart but we pull it together
Pull it together, together again

Don't let me go

Don't let me go
Don't let me go

Don't let me go
Don't let me go
Don't let me go

Don't let me go
Don't let me go
Don't let me go

Don't let me go
Don't let me go
Don't let me go
