Some things we don't talk about
better do without
and just hold a smile
falling in and out of love
a scene their proud of
together all the while

You can never say never while we don't know it
time and time again
younger now then we were before
dont let me go, dont let me go, dont let me go
dont let me go, dont let me go, dont let me go

Picture you're the queen of everything
as far as the eye can see
under your command
I will be your guardian from all that's coming down
steady your hand

You can never say never while we don't know it
time time and time again
younger now then we were before
dont let me go, dont let me go, dont let me go
dont let me go, dont let me go, dont let me go.

We're falling apart,
we're coming together,
again and again
we're crawling apart,
but we're falling together,
falling together
together again

don't let me go, don't let me go, don't let me go. (oh oh
oh)
don't let me go, don't let me go, don't let me go.
(ohhhh ohhh)
don't let me go, don't let me go, don't let me go. (ohhh
ohhh)
don't let me go, don't let me go, don't let me
go.(ohohhohhh)
