Well, she wants to be a singer in the band  
Maybe I'll give the girl a hand and a microphone looks  
like she's all alone  
She can bring a friend though she's not my kind of  
friend  
She keeps jus' staring me out with her, ole black 'n'  
blue eyes

And I can take her dancing just to give the girl a chance  
And I was never that good at being nice when I should  
I guess that she'll forgive me right before she tries to  
kill me  
'Coz I sold her on yesterday's come take me home  
eyes

And I can take her walzing just so she could kick my  
head in  
Oh I do believe I was drunk and both of my heads had  
shrunk  
I guess her name was Tina 'coz before I'd even seen  
her  
I was lost in her what's your name, just get me fucked  
eyes  
Oh, take me home eyes

And Chelsea says she's got nowhere to go  
And if she does she's getting there slow  
And I can help her out but I've got somewhere to be  
And that's the very thing when you're dealing with me

Young souled, tiger begging me to bag her  
Filthy heart and swollen hips, and she said ?Oh my  
dearest  
I'm not pretty, isn't it a pity  
That you won't kiss these rotten lips??

So take me home eyes  
Ole black 'n' blue eyes

And Chelsea says she's got nowhere to go  
And if she does she's getting there slow  
And I can help her out but I've got somewhere to be

And that's the very thing when you're dealing with me
