Hes so pretty
He always looks shitty (ahah)
born on a monday
such a very good day (aha)

chorus
and i havent seen a pupil in his eyes for 16 days
the catholic girls love him in a hundred million different
ways
an hes been up for days
in a big malaise
hes only living till the salad days

rock a honey rock a honey woo hoo
sleeps all day and he dreams of you
rock a honey rock a honey wee hee
dines in the city where the girls are free
