Well, it's a big, big city and it's always the same  
Can never be too pretty, tell me your name  
Is it out of line if I was to be bold  
And say, "Would you be mine"?

Because I may be a beggar and you maybe the queen  
I know I maybe on a downer I'm still ready to dream  
Though it's 3 o'clock  
The time is just the time it takes for you to talk

So if you're lonely why'd you say you're not lonely  
Oh, you're a silly girl, I know I hurt you so  
It's just like you to come and go

And know me, no, you don't even know me  
You're so sweet to try, oh my, you caught my eye  
A girl like you's just irresistible

Well, it's a big, big city and the lights are all out  
But it's as much as I can do, you know I'll figure you out  
And I must confess  
My heart's in broken pieces and my head's a mess

And it's 4 in the morning, and I'm walking along  
Beside the ghost of every drinker here who's ever done  
wrong  
And it's you, woo hoo  
That's got me going crazy for the things you do

And so if you're crazy, I don't care you amaze me  
But you're a stupid[Incomprehensible], oh me, oh my,  
you talk  
I die, you smile, you laugh, I cry

Only a girl like you could be lonely  
And it's a crying shame, if you would think the same  
A boy like me's just irresistible

So if you're lonely why'd you say you're not lonely  
Oh, you're a silly girl, I know I hurt it so  
It's just like you to come and go

And know me, no, you don't even know me  
You're so sweet to try, oh my, you caught my eye  
A girl like you's just irresistible
