Lost feelings return
so now maybe I can learn
to stop the world of a lie
this time around

Are we, are we
Are we ourselves?
Are we, are we
Are we ourselves?

Because seen through these eyes
we lead a double life
No one would know
So check it out
stepping out, here I go

Are we, are we
Are we ourselves?
Are we ourselves
and do we really know?

Most spirit returns
now maybe we've learned
to stop this whirl of a lie
To this earth we
are bound I ask you

Are we, are we
Are we ourselves?
(Are we ourselves)
Are we ourselves
and do we really know?
Who do we know?
Are we ourselves?
(Are we ourselves)

Ooh woh ooh woh
ooh woh ooh woh
(Are we ourselves)
Are we ourselves?
Do we really know?
(Are we ourselves)

(repeat to fade)
