Red skies at night  
Red skies at night  
Woh oh oh oh  
oh oh oh oh  
oh oh oh oh oh

(repeat)

Should have taken warning  
it was just people mourning  
Running, hiding, lost  
Couldn't find, find a place  
to go, so it's

Red skies at night  
Red skies at night  
Woh oh oh oh  
oh oh oh oh  
oh oh oh oh oh

Should have taken warning  
it was just people mourning  
Running, hiding, lost  
Couldn't find, find a place  
to go, so it's

Red skies at night  
Red skies at night  
Woh oh oh oh  
oh oh oh oh  
oh oh oh oh oh

(repeat)

Someone's taking over  
And it look like they're  
aiming right at you and me  
Someone said we'll be dead by morning  
Someone cries leaving, so it's

Red skies at night  
Red skies at night

Woh oh oh oh  
oh oh oh oh  
oh oh oh oh oh

(instrumental)

(Red skies at night...)

Red skies at night

Red skies at night  
Red skies at night  
Woh oh oh oh  
oh oh oh oh  
oh oh oh oh oh

(repeat 2x)
