SECRET SEPARATION

The Fixx

(Cy Curnin)

We are passengers in time  
Lost in motion, locked together  
Day and night by trick of light  
But I must take another journey  
We must meet with other names

You touched my heart so deeply  
You rescued me now free me  
Don't watch me cry just see me go  
I'll take away the strongest feelings  
You will ever know

There will be no more isolation in our secret separation  
You touched my heart so deeply you rescued me  
Now free me

We are passengers in time  
Lost in motion, locked together  
Day and night, by trick of light  
But I must take another journey  
We must meet with other names  
If you hold me you will hurt me  
Be brave

There will be no more isolation in our secret separation  
You touched my heart so deeply you rescued me  
Now free me

We are matching spark and flame  
Caught in endless repetition  
Life for life we'll be the same  
I must leave before you burn me  
I am the stranger who deserts you only to love you  
In another life

There will be no more isolation in our secret separation  
You touched my heart so deeply, you rescued me

Now free me I'll bear one precious scar that only you  
will know
