"Treasure It"

Tread carefully, leave no tracks behind
Move easily, don't stack what you find
Breathe deeply, always look ahead
Wide open there's a space time won't touch
When you're feeling insecure do you treasure it?
You should treasure it

Feel the pull, feel the swing, there's no value
'till you treasure it

We'll have our turn to use what we've learnt
And stand into the light of our lives
So please yourself, feed yourself
Take a seat for this coming attraction
When you're feeling insecure do you treasure it?
You should treasure it
Feel the pull of nature's course and treasure it
Treasure it

Feel the pull, feel the swing, there's no value
'til you treasure it

Think positive, leave the negs behind
Move easily don't stack what you find
Breathe deeply, always look ahead
Wide open there's a space time won't touch
When you're feeling insecure do you treasure it
I treasure it
Feel the pull of nature's course and treasure it
Treasure it

Feel the pull, feel the swing, there's no value
'til you treasure it.
