Wake up get out of bed  
Lots to do in the day ahead,  
Switch on the kettle get some tea  
Get to the door turn the key  
(chorus below)  
Come on sleepy head  
Is there anything that can be said?  
To make you get out of bed  
Come on come on its not that hard  
Get out of bed

You have bed hair  
Brush it come on have some care  
Don't look so tired wash your face  
Don't stomp around have some grace

Come on sleepy head  
Is there anything that can be said?  
To make you get out of bed  
Come on get out of bed

Its 1 o clock in the afternoon  
You're supposed to sleep not in the light of the sun  
but in the light of  
the moon  
Do I have to spray you with a hose?  
Or what else god knows

Come on sleepy head  
Is there anything that can be said?  
To make you get out of bed  
Come on get out of bed
