It's gonna
It's gonna
It's gonna
It's gonna happen soon.

We're gonna
We're gonna
We're gonna
We're gonna let it pass right through us,
let it pass right through us.

There is a
There is a
There is a
There is a tunnel here.

We're gonna
We're gonna
We're gonna
We're gonna bring the silence down there,
redesign our lives there.

It's gonna
It's gonna
It's gonna
It's gonna rain away.

But still
But still
But still
But still the sleep's inside us
Until someone unties us.

Is it dead enough?
Is it still enough?
Will it replicate
Inside our bodies now?

Is it dead enough?
Is it still enough?
Will it replicate
Inside our bodies now?

We're waiting
We're waiting
We're waiting
We're waiting underground.

How can we?
How can we?
How can we?
How can we extricate ourselves enough
or fight something that's part of us?

Is it dead enough?
Is it still enough?
Will it replicate
Inside our bodies now?

Is it dead enough?
Is it still enough?
Will it replicate
Inside our bodies now?
