Visit "[Hate](#)" on MotoLyrics.com

When I saw her, I saw love for the first time/I talked to
her, I heard love
for the first time/When I touched her, I felt love for the
first time/Love is
something special to have/17 years old nothing to lose,
17 years old every-
thing to learn/17 years old, everything to lose 17 years
old nothing to learn/
Yes, relationship is give and take, But I couldn't give
enough, still I loved
every day of it/A year of my life away from the friends
that I love/They loved
me enough to never forget me/I love her and she
taught me alot, but that
bitch won't get out of my life...
