Here's your lesson for today, you better listen up real
fucking good/my cloud
always has a silver lining, and I love everything that I
see/my world is
wonderful and no one could ever hurt me/you hate
yourself, yes you do, and that
is why right now I hate you/you hate yourself, yes you
do, and that's why
right now I can't stand you/Have you learned your life's
lesson yet? No, well
let me tell you something/I am your teacher you have
a lot to learn from me-
you must learn to love yourself/you are my teacher you
teach me about my life/
There's a lot I can learn from you/And that's why right
now I love you...
