Sometimes when I hold my head in shame  
I forget that I'm the one to blame  
If I fall aimless on an endless journey  
I'm beat up, broken, busted, angry  
I can't explain, but it's true and it's true and it's true  
and it's true

Used to walk slowly now I'm running  
Catching up's getting hard to do  
Tell me now, tell me now what's got into you  
Whispering softly, now I'm screaming  
My head starts to hurt, my heart's in pain  
Tell me now, tell me now when will you explain

Then there comes a time for me to say  
Just how I feel but words get in my way  
If I fall aimless on an endless journey  
Will I be strapped, held down unfriendly?  
I can't say why, but I try and I try and I try and I try

Used to walk slowly now I'm running  
Catching up's getting hard to do  
Tell me now, tell me now what's got into you  
Whispering softly, now I'm screaming  
My head starts to hurt, my heart's in pain  
Tell me now, tell me now when will you explain

Used to walk slowly now I'm running  
Catching up's getting hard to do  
Tell me now, tell me now what's got into you  
Whispering softly, now I'm screaming  
My head starts to hurt, my heart's in pain  
Tell me now, tell me now why don't you  
Why don't you, why don't you ever explain

Used to walk slowly now I'm running  
Catching up's getting hard to do  
Tell me now, tell me now what's got into you, you yeah  
Whispering softly, now I'm screaming  
My head starts to hurt, my heart's in pain  
Tell me now, tell me now when will you, when will you  
explain

Sometimes when I hold my head in shame  
I forget that I'm the one to blame
