Let me explain to you what's going on  
This world ain't even what it seems at all  
It seems like we're going from bad to worse  
And every generation is cursed to be worse

Fathers killing sons and sons killing dads  
I blame it on the pastor all the trouble they have  
Little kids on the streets selling drugs  
I blame it on the parents don't believe in tough love

Crack is bad and poverty is worse  
It's even possible to steal the governor's purse  
It used to be we couldn't even curse on t.v.  
but now they're showing kids homosexuality

~Chorus~

We need to make a change  
and it has to begin today  
we need to break those chains  
and let the spirit of the Lord come in and rain  
we need to make a change  
and it has to begin today  
we need to break those chains  
and let the spirit of the Lord come in and rain

We busy teaching safe sex and alcohol  
How about don't drink and no sex at all  
Wait until you get married come on do it right  
Now a days you have three kids  
and haven't been nobody's wife

And worse it says no congregations  
and worse is contagious  
and worse can't contain it  
the worthy man that God  
had made could tell them apart  
and we supposed to be the light and mist of the dark

And tell me when's the last time you really prayed  
On your knees saying God for your soul to be saved  
What about spirit? and what about Jesus and God?

I guess we forgot we too busy resurrecting Tupac

[{~CHORUS~}]

We said no to love we said yes to hate  
We said no to hugs we said yes to pain  
We said yes to drugs we said no to peace  
We said yes to war and no to our beliefs  
We said no to Christ and yes to insanity  
We said no to salvation and yes to profanity  
We said no to Jesus and yes to sin  
We pushed the spirit out and let the devil walk right into  
sin

[{~CHORUS~}]
