I know that it's you behind
Everything that I do
And I wouldn't try to hide
Who I am from you

It's all me that you see
I was ready for another try
But I needed you to set me free
Must be the luckiest man alive

Man finds love in his life
He's the luckiest man alive
Someone true by his side
He's the luckiest man alive
Once you cut right through
His foolish pride
He's the luckiest man alive

I've never had the time before
Leaving things where they fell
I was going door to door
Always thinking I was somewhere else

You saw me and what I could be
And now I know what love is for
It's the only thing sets you free
Must be the luckiest man alive

Man finds love in his life
He's the luckiest man alive
Someone true by his side
He's the luckiest man alive
She cut right through
His foolish pride
He's the luckiest man alive

Feel the motion, it's an endless ocean
Rocking gently and moving deeply
Feels like always been knocked sideways
Over and over by the strength of your love

Man finds love

Man finds love in his eyes
He's the luckiest man alive
Someone true
Man finds love
He's the luckiest man alive
Someone true
