Those brunettes, blonde girls,
Blue jeans, string of pearls
Take you on a trip around the world girls
Love has a thousand faces
Love has a thousand faces

There's debutantes, drama queens,
Glued to bride magazines
Half-caf, two pump, no whip in the coffee bean
Love has a thousand faces
Love has a thousand faces, but I see you

Before I ever knew you
Before I ever knew you
I dreamed of you
I dreamed of you

There's small town, itty-bitty
Tomboy in a big city
Turn your head when the light ain't red, stop traffic
kinda pretty
Love has a thousand faces
Love has a thousand faces, but I see you

Before I ever knew you
Before I ever knew you
I dreamed of you
I dreamed of you

You're a stormy night, thunder crashin'
Mystery full of passion
Quiet as a Sunday mornin', shange without any warnin'
Love has a thousand faces
Love has a thousand faces, but I see you

And I see you

I see you

Baby, I see you
And I see you

Before I ever knew you
Before I ever knew you
Before I ever knew you
Before I ever knew you
I see you
