June 1986
place Catskill, New York
went to the gym but i couldn't get in
Cus D'Amato taught him to fight
he's a hell of a fighter
Iron Mike
Iron Mike

Well my fighters call me Mr Rooney
and holler at me peek-a-boo
Could've got you with Cus but they'll never get us
no disrespect, Mike
Cus is gone
it's time we go for the title
Iron Mike (swing)
Iron Mike

Stay Away from Don King
Stay Away from Don King
Stay Away from Don King
Stay Away
Stay Away

burn down old Vegas strip burn down
burn down old Cus' Gym burn down

Day-time TV court dates and bankruptcy
circle you through a maze of Pay-per-view

burn down old Vegas strip burn down
burn down old Cus' Gym burn down

you still gotta fight so burn on Kid Dynamite
Oh! Iron Mike burn on
