Bowling Green is the perfect place for girls to meet  
boys  
Don't go skipping around  
Where you're not invited  
The man knows how to dress  
Seen him in the Wall Street press  
He's a toastable philanthropist  
He's the chair of the company

He takes you to Palm beach  
and now your wedding's arranged  
The Royal hawaiian hotel  
Billions in charities  
Now your mothers in tears  
Pacing through the kitchen hears  
Your name on the Fox Five news  
and a fraud investigation

Turn on the tv, its your daughter Mrs. Kain  
Turn on the tv, its your daughter Mrs. Kain  
How could it end this way, never could tell  
at the royal hawaiian hotel

Panama all the way to Anaheim  
that's where the Giants sleep  
A boy in a Bentley  
A party of the political elite  
Posing on the tenth hole green  
Hungry for a photograph with the man of a century

Turn on the tv, it's your daughter Mr. Kain  
Turn on the tv, it's your daughter Mrs. Kain  
how could it end this way, never could tell  
at the royal hawaiian hotel

Why did it end this way  
How did it end this way, Mr Kain  
How did it end this way  
How did it end this way, Mr. Kain  
How did it end this way, Mr. Kain  
How did it end this way, Mr. Kain
