Kotini tuulen, kotini aaltojen,  
toi kaiho minut takaisin.  
Lämpimällä tervehdit matkaajaa  
joka sinun laulusi laulaa.  
On kotini näillä rannoilla,  
kotini tuulen, kotini aaltojen.

[English translation:]

[HOME OF THE WIND, HOME OF THE WAVES]

My home of the wind, my home of the waves,  
longing brought me back to your embrace.  
With warmth you greet me,  
the wanderer singing your song, dreaming your  
dream.  
These shores are my home,  
my home of the wind, my home of the waves.
