Ink, my tears  
You're black with fears  
The ocean is rising  
It's filling the bubble, now  
She's oceans away  
She's sailing for troubled towns  
right now  
right now

Cash your crowns  
For ups that come back down  
Swap your soul for  
Dry bones

Hollow pride  
Cast stones inside  
Your wax and your feathers  
Glue wings together, yeah  
You float to the sun  
Til she meltingly flings you down  
right now  
right now

Cash your crowns  
For ups that come back down  
Swap your soul,  
Dry bones

Cash your crowns  
For ups that come down  
Swap your soul, Dry bones  
Dry bones
