Standing there in the pouring rain
My sun sets to the north
Can't you see the glow?

Light fades for the fatherless
But I harbour hope
Cant you see me glow?...

...Glow
These waves they crash below
We'll sail to a distant shore
We'll cross into that glow
Father, Father, can you hear me?
There's tearing in my soul
But can't you find the cure?
Sweat-soaked world of fears and seams
Polluted to the core
But I still harbour hope...

...Hope
These waves they crash below
We'll sail to a distant shore
We'll cross into that glow

The shore
Waves, they crash below
Sail to a distant shore
Crash into that glow
