See that girl dancing around the fire  
Hear the rattle of her feet  
Taste the smell of burning wood  
Feel this life is really good.  
She has a shawl around her curly hair  
She wears no shoes but doesn't care  
She's dressed like a gypsy and she is  
The sweetest girl I've ever seen.  
Gypsy girl  
you're an angel in disguise

Yes that is true.  
Gypsy girl  
I'm a stranger for you  
But what can I do.  
See that girl dancing around the fire  
...  
She has a shawl around her curly hair  
...  
Gypsy girl  
you're an angel in disguise  
...
