Shoo-doo, shooby-do)
(Shoo-doo, shooby-do)
(Shoo-doo, shooby-do)
(Shoo-doo, shooby Whoa)

In the still of the night
I held you, held you tight
'cause I love, love you so
Promise I'll never let you go
In the still of the night (in the still of the night)

I remember (I remember) that night in May (I
remember)
The stars (I remember) were bright above (I remember)
I'll hope (I remember) and I'll pray (I remember)
To keep your precious love

Well before the liight
Hold me again
With all of your might
In the still of the night (in the still of the night)

I remember (I remember) that night in May (I
remember)
The stars (I remember) were bright above (I remember)
I'll hope (I remember) and I'll pray (I remember)
To keep your precious love

So before the liight
Hold me again
With all of your might
In the still of the night (in the still of the night)

I remember (I remember) that night in May (I
remember)
The stars (I remember) were bright above (I remember)
I'll hope (I remember) and I'll pray (I remember)
To keep your precious love

In the still of the night
