(a hell of a place)

Let me welcome you to that special place  
where EVERYONE is YOURS  
(Let me welcome you to that special place)  
and (where) YOU are EVERYONE'S

(Eurotica)

Let me welcome you to that special place  
where EVERYONE is SANE  
Let me welcome you to that special place  
where YOU are EVERYONE'S

(Eurotica)

Let us spare you the GRIEF  
that to BE YOURSELF might bring  
You are here to be AMUSED maybe confused or  
misused  
to be a living METAPHOR of this MODERN, great swing  
Just DRINK and EAT and do not FORGET  
to play always SAFE INTERCOURSE

(in this human sized and human shaped zoo)

WE do not mind to PROGRESS alone  
WE do not mind to take it on,  
(WE do not mind) to take CONTROL  
WE do not mind to be YOU.

(Eurotica)
