Help me fall from grace
I am the impostor at your feet
need you to be Incomplete
is it your first time
or have you been tempted before
laying below

downward into the pulsing life

won't you fall from grace
try firewalking inside of Me
when everything (else) falls apart
I am at a wingbeat
from my retreat
is it your first time or have you been tempted before
downward into the pulsing secret

when everything (else) falls apart laying below
try firewalking inside of Me
