{Hello}

I am the eternal spectator  
The eternal stimulator  
Of things that never come  
Of things that never come

I am the eternal spectator  
The eternal ruminator  
Of things better left alone  
Of things better left alone

Watching over you  
Sometimes inside of you  
Watching over you  
Sometimes inside of you

The eternal dictator  
Of your perpetual distraction  
The eternal collector  
Of things that were never done

The eternal agitator  
Of a war that you never fought  
The eternal demonstrator  
Until you prove me wrong

Watching over you  
Sometimes inside of you  
Watching over you  
Sometimes inside of you

Watching over you  
Sometimes inside of you  
Watching over you  
Sometimes inside of you

Watching over you  
Sometimes inside of you  
Watching over you  
Sometimes inside of you

Watching over you  
Sometimes inside of you  
Watching over you  
Watching over
