"Voa Serpente do orgulho,  
Mãe da terra, nossa Mãe  
Lei daqueles que clamam  
P'lo Homo Natura, p'la flama,  
Voa erótico Pentagramma  
E destroi, e destroi quem te ama."  
Langsuyar T.Rex

"Masturbar-me-ia sobre a tua divindade,  
Enrabar-te-ia se a tua fraca existencia  
Oferecesse um cu à minha incontinencia;  
Meu braso o corasio te arrancar  
Para com o meu fundo horror melhor te penetrar."  
Marquis de Sade  
(1740-1814)

English translate:

"Fly, serpent of pride,  
Mother of earth, our Mother  
Law of those who claim  
For the Homo Natura, for the flame,  
Fly erotic Pentagram  
And destroy, destroy those who love us"  
Langsuyar T.Rex

"I would masturbate over your divinity,  
Sodomize you if your feeble existence  
would offer an ass to my incontinence;  
My arm thy heart would pull out  
So that with my profound horror  
better could I penetrate you".  
Marquis de Sade  
(1740-1814)
