La fora estãfo os senhores da guerra
E cantam jãi hinos de vitã³ria
Qual ã© a historia desta terra?
ã%o o medo, ali mesmo

Cãi dentro estãfo os homens ãi espera
Unidos no destino da terra
Jãi nãfo hãi memã³ria de paz na terra
ã%o o medo, ali mesmo

ã“ terra, Mais um dia a nascer
Ai, ã© menos um dia a morrer
ã%o tãfo pouca a gloria duma guerra
E os homens que as fazem sem vitorias
Jãi nãfo hãi memã³ria, de paz na terra
ã%o o medo, ali mesmo

.....

Outside I hear the war lords
Already they sing hymns of victory
What's the history of this earth?
It's fear, that's it
And here are the men waiting
United in the destiny of the earth
No one remembers a time of peace
It's fear, that's it

O Earth, One more day is rising
And we can't lose it
It's so little the glory of a war
And the Mongers of war making it, without victories
No one remembers peace anymore
It's fear, that's it
