Visit "[Rapaces](#)" on MotoLyrics.com

eternal life runs so slow
eternal kisses are cold
while you play your lamentation show
why do you think they are beautiful?
Let the candles burn
And the stakes go through the soul

not all vampires suck blood
not all of them die for love
impossible-so very wrong wrong

final prayers are loud
eternal life runs- so very slow
not all romantic wounds
some of us are strong

not all of them die for love
how do you think that yours will sound?
not all vampires suck blood
you are the star of my lamentation show
eternal life runs so very slow
yes I think they are beautiful
eternal kisses are gold
let all candles burn
some of us are strong

not all vampires suck blood

not all of them die for love
