In your soul time when you're closing down
Shadow sun
Divine sleep of death
Divine sleep of death

I am, babe, standing still
In the blackest rain
Denying you
Breaking day

In the name of nothing
When we break apart
I'll raise the dead
The chain of lies

I'm ever freezing over
Crystal mountain clay
Cloud of darkness
Defeating pain

And then you fell
Becoming darkness
And then you fell
Becoming darkness
Shadow sun

In your soul time when you're closing down
In your soul time when you're closing down
Shadow sun
Divine sleep of death
Divine sleep of death

I'm again standing still
In the darkest rain
Denying you
Defeating pain

Defeating pain

And then you fell
Becoming darkness
And then you fell

Becoming darkness
Shadow sun

Life is meaningless
Life is meaningless
Shadow sun, shadow sun

Life is meaningless
Life is meaningless
Life is meaningless
Life is meaningless
