Woah oh I am dreamin

Gonna get hot tonight
Dreamin of a hot summers night
Lose control. Let it go
Dreamin of a hot summers night
It's taking over my soul
Dreamin of a hot summers night
Wanna make sweet love in the moonlight

Dreamin of a hot summers night
Making love under the moonlight
Woah oh I am dreamin
Woah oh I am dreamin

The heat is on. I'm feeling fine
Dreamin of a hot summers night
No better place to make you mine
Dreamin of a hot summers night
It's all or nothing tonight
Dreamin of a hot summers night
Makin love to you in the moonlight

Dreamin of a hot summers night
Making love under the moonlight
Woah oh I am dreamin
Woah oh I am dreamin
