He's the guy who's the talk of the town  
with the restless gun  
don't shoot broad out to fool him around  
keeps the varmints on the run, boy  
keeps the varmints on the run

You may think he's a sleepy tired guy  
always takes his time  
sure I know you'll be changing your mind  
when you've seen him use a gun, boy  
when you've seen him use a gun

He's the top of the West  
always cool, he's the best  
he keeps alive with his colt 45

You weren't glad at your fooling him around  
when you've seen him use a gun, boy  
when you've seen him use a gun

He's the top of the West  
always cool, he's the best  
he keeps alive with his colt 45

Who's the guy who's riding into town  
in the prairie sun  
You weren't glad at your fooling him around  
when you've seen him use a gun, boy  
when you've seen him use his gun
