Yeah

A fatal attraction
To dangerous action
A smile in the dark
A bullet in your heart

Mooning at security
Precaution is stupidity
Just a superstition
Another addiction

Alive alive
Have you ever felt so alive
Alive alive
Just like before a suicide

Alive alive
Have you ever felt so alive
Alive alive

Yeah
Danger danger!

We're the only boasters
Building rollercoasters
Danger is like sunshine
Yeah to the brave

Dancing in a minefield
Is like the way your body feels
Waiting for that siren
Before we run tonight

Alive alive
Have you ever felt so alive
Alive alive
Just like before a suicide

Alive alive
Have you ever felt so alive
Alive alive

Yeah
Danger danger danger!

Life is an adventure
Ain't no safety in nature
Just as soon as you get here
Danger appears

Life is an adventure
Ain't no safety in nature
Just as soon as you get here
Danger appears

Alive alive
Have you ever felt so alive
Alive alive
Just like before a suicide

Alive alive
Have you ever felt so alive
Alive alive

Yeah
Danger danger danger danger!
