Beaming over empty earth  
In the pale and milky stratosphere  
No one hears the rolling sound  
Of ocean waves of tears

Able was I ere I saw  
Echoes shifting powder sand  
Deserts of an Elba world  
Restless as the exiled man

Ooh... we live in the rainworld  
Ooh... we live in the rain  
Ooh... we live in the rainworld  
Ooh... we live

Up above the whirling seas  
A window in a darkened sky  
Watch horizons disappear  
Like dying notes of lullabies

The earth it turns as slow as time  
The works of man they pass away  
A lonely final pantomime  
Only one remains

Ooh... we live in the rainworld  
Ooh... we live in the rain  
Ooh... we live in the rainworld  
Ooh... we live

Ooh... we live in the rainworld  
Ooh... we live in the rain  
Ooh... we live in the rainworld  
Ooh... we live

Ooh... we live in the rainworld  
Ooh... we live in the rain  
Ooh... we live in the rainworld  
Ooh... we live

Ooh... we live in the rainworld  
Ooh... we live in the rain

Ooh... we live in the rainworld  
Ooh... we live

Ooh... we live in the rainworld  
Ooh... we live in the rain  
Ooh... we live in the rainworld  
Ooh... we live
