All the people rebel

But be careful
Cause freedom is a word
Misused all the time
Be cautious
Cause freedom is more
Than just a state of mind

Be careful
Cause freedom is a word
Misused all the time
Be cautious
Cause freedom is more
Than just a state of mind

Cause freedom from something's
Always freedom for something
Better know what you're fighting for
Cause freedom for nothing's
Always freedom from nothing
Better know before
You break down the door

All the people rebel
All the people rebel

But be careful
Cause freedom is a word
Misused all the time
Be cautious
Cause freedom is more
Than just a state of mind

Be careful
Cause freedom is a word
Misused all the time
Be cautious
Cause freedom is more
Than just a state of mind

Cause freedom from something's

Always freedom for something
Better know what you're fighting for
Cause freedom for nothing's
Always freedom from nothing
Better know before
You break down the door

[Guitar Solo]

Cause freedom from something's
Always freedom for something
Better know what you're fighting for
Cause freedom for nothing's
Always freedom from nothing
Better know before
You break down the door

All the people rebel
All the people rebel
All the people rebel
All the people rebel

Yeah
