Outlandish I brandish
A torch over sand
Desert of the real
I watch 'em burn the man

Only a scarecrow
Charade of presence to tame
Now the wings of fire bring you
Hell and brimstone in flames

Hello scarecrow
Hello gasoline
I'm not afraid of you
You should be afraid of me

Hello scarecrow
Hello gasoline
I'm not afraid of you
You should be afraid of me

Fear no more an ally
The right divide your riches
This is reverse of days when
You used to burn witches

Guess what you forgot
Let the breeze now bring you back
To the anti-culture shock
Smell of smoke on attack

Hello scarecrow
Hello gasoline
I'm not afraid of you
You should be afraid of me

Hello scarecrow
Hello gasoline
I'm not afraid of you

You should be afraid of me [in Russian]

Hello scarecrow

Hello gasoline
I'm not afraid of you
You should be afraid of me

Hello scarecrow
Hello gasoline
I'm not afraid of you
I'm not afraid of you

I'm not afraid of you
I'm not afraid of you
I'm not afraid of you
I'm not afraid of you

You're afraid of me
You're afraid of me
You're afraid of me

You should be afraid
