Chorus: Come away, come away....
And your heart will understand.
Yesterday, flies away.
But tomorrow's in your hand.
Come away, come away....
There's a place that is grand in,
That you can be like once upon upon a time,
With me.

Verse 1: Once upon a time,
We were flying.
Once upon a time,
We were free!
Life once let us go,
As far as we could go.
Always remember once upon a time,
With me.

Repeat chorus

Verse 2: Once against the odds,
We were winners....
We were all we dreamed
We could be!
You touch night and day,
And made them go our way.
Once upon a time,
With me.

Verse 3: When we lived our lives
Like a story.
And the story ends
What will be!
Where this life will go,
I don't pretend to know....
Please don't forget that once upon a time,
With me.

Repeat chorus

Verse 4: When one story ends,
There's another.
It's all up to us
Don't you see?
You say "let's begin,"
And I say once again,
And you'll find it's not once upon a time,
But here and now and you and me.

Repeat chorus
Final verse: With me
