I've been feeling  
Dead and lonely  
I go to sleep but I'm too scared to close my eyes  
Heart is racing  
Barely breathing  
Please come and save me from what I'm feeling inside

Here I am  
Scarred and broken  
Falling on the ground  
And I'm screaming out  
I need you now  
I'm so afraid  
I am  
Slipping, I'm slipping, I'm slipping  
Farther away

I am sorry  
I'm so dirty  
So torn and angry that I am covered in this sin  
But you see through the ugliness  
That's taken over me

Here I am  
Scarred and broken  
Falling on the ground  
And I'm screaming out  
I need you now  
I'm so afraid  
I am  
Slipping, I'm slipping  
Farther away

In the silence  
I can feel you  
(Don't let me slip away)  
(Don't let it slip away)  
In the silence  
I can feel you  
Feel you reaching  
All my tears are wiped away  
And I am breathing again

Breathing again

Here I am  
Scarred and broken  
Falling on the ground  
And I'm screaming out  
I need you now  
I'm so afraid  
I am  
Slipping, I'm slipping, I'm slipping  
Farther away (Here I am)  
Without you  
(Scarred and broken)  
I'm starting over  
Falling on the ground  
And I'm screaming  
I do (I need you now)  
I need you now  
I'm so afraid I am  
Slipping, I'm slipping, I'm slipping  
Farther away (farther away)
