so the notion of a fiery end put me to sleep again  
nothing imploring  
tragically boring  
when heads hit pillows tonight it may be the last time

throw it away  
I could be sadder I suppose  
I should be shedding tears and spouting prose  
one last time  
Not much to say I wish I felt something more concrete  
something where I could plant my feet and try to  
breathe  
one last time

honestly there's nothing more  
no revelation on this darkened shore  
i can't sleep so what's the difference what's the use?  
if you fell in love with me I couldn't fall in love with you

I know what you are thinking  
I know you wish I wouldn't say  
I know what you are thinking  
I know you wish I wouldn't  
be so blatant, indifferent  
give me a reason not to say
