Baby that thing wants to be alive baby baby

Baby that thing wants to be alive baby baby

Baby baby baby should have closed your legs baby
baby

mmmmmyeh

Baby that thing wants to be alive baby baby

Stop the voice baby this ain't a choice
This about the things growin hoarse
Voice loice loyalty
Baby better feed it better feed it and ree
Better feed it better read it and weep
You got the catscan look at me
Baby baby I'm your baby
Look at the catscan you see it's me
I ain't a boy I ain't a girl I ain't shit
I'm just a little fetus do you like me baby
I'm coming down, wondin around sound
I got the surround sound in your stomach sounds foul
Umbilical chord I wanna one day detach it
I wanna go to the world I wanna see ratchet
Wanna hatch it, bury the hatchet ain't a choice
Baby baby baby want to hear my voice

Baby that thing wants to be alive baby baby

Baby that thing wants to be alive baby baby

Baby baby baby should have closed your legs baby
baby

mmmmmyeh

Baby that thing wants to be alive baby baby
