I'm gonna drive on past
At the next car crash
I'm gonna drive on past
At the next car crash
I'm gonna push that?
At that train
I'm gonna get that drug
And throw it away
I'm gonna take that money
And that stray case
I'm gonna ignore those?
That are?
I'm gonna drive past
The next car chase
I'm gonna ignore the issues
That we fxxkin face
I'm gonna join that crowd
As they celebrate
I'm gonna get that crowd
And fxxkin assassinate
I'm gonna?
Just leave me alone
I'm gonna get on that car crash
And erase it man from the
Fxxkin... home
I'm gonna drive on past
At the next car crash
I'm gonna drive on past
At the next car crash
I'm gonna pull my?stamp?
On the curb
I'm gonna get your Jag
Drive it worse baby
I'm gonna ignore that television
Baby lies to me
I'm gonna let that fxxkin television
Send me to sleep
I'm gonna wake up and get in
A

I go back into political office

And I take my in clothes off man
