I'm on the sidelines I'm a face in the crowd
And you're another face that I could do without
You got your stardom, time to move on
Look at your ass where the sun just shone
I've got another idol gonna love em to death
Baby your windswept, catch a last breath

Celebrity killer, I'm gonna hunt you down
Celebrity stalker, is comin to to-own
I love you so far...to the graveyard
Celebrity killer baby oh my God!

Celebrity killer, I'm gonna hunt you down
Celebrity stalker, is comin to to-own
I love you so far...to the graveyard
Celebrity killer baby oh my God!

I wanna be smothered in your famous blood
Make love to me baby, I'm a famous stud
Don't get married, you're married to me
It's all my delusional..fantasy
When you first appeared, you whispered to me
You told me through the screen, that you lurve me
I wake up next morning with you on my mi-ind
Celebrity stalker is right on time

Celebrity killer, I'm gonna hunt you down
Celebrity stalker, is comin to to-own
I love you so far...to the graveyard
Celebrity killer baby oh my God!

Celebrity killer, I'm gonna hunt you down
Celebrity stalker, is comin to to-own
I love you so far...to the graveyard
Celebrity killer baby oh my God!
