Devil Song (Marilyn Manson Tribute) Â© 2009 Frederick Roussel

Marilyn Manson wanna be cheesy just like me
Marilyn you wanna be on Dawson's Creek
Marilyn Manson and all your little metal fans
Can work in a factory makin little metal pots and pans

You know that without your make-up on
You're a sad old man and a made up con
You worship the Devil but the Devil don't care
He's a made up story...You're both a load of hot air!

I know that you're different but...you're the same
When those kids shot that school up they all...
said your name
You got ten dead chickens on the stage
Wavin em around with your ugly face
Just caus you couldn't get in the football team
You wanna give us all bad dreams?

You know that without your make-up on
You're a sad old man and a made up con
You worship the Devil but the Devil don't care
He's a made up story...You're both a load of hot air!

Marilyn Manson do 500 press-ups now
Marilyn Manson do 500 press-ups now
Marilyn Manson get on the treadmill
Marilyn Manson get on the football field
Put all your stinkin fans in the army now
Put all your stinkin fans in the army now
So controversial and intelligent WOW
Can you spell SPORTS?
Get to it now!

I know that you're different but...you're the same
When those kids shot that school up they all...said your
name
You got ten dead chickens on the stage
Wavin em around with your ugly face
Just caus you couldn't get in the football team

You wanna give us all bad dreams?
