(I got some faith in the justice system)

(I got some faith in the justice system)

Baby your lawyer is cheaper than mine  
(I got some faith in the justice system)  
You told the truth, baby I lied  
(I got some faith in the justice system)  
Baby your cousin ain't the judge  
(I got some faith in the justice system)  
You ain't in the special club  
(I got some faith in the justice system)

No rules for me  
Rules for you  
No school for me  
School for you

(I got some faith in the justice system)

(I got some faith in the justice system)

(I got some faith in the justice system)

(I got some faith in the justice system)

Baby your lawyer is cheaper than mine  
(I got some faith in the justice system)  
You told the truth, baby I lied  
(I got some faith in the justice system)  
Baby your cousin ain't the judge  
(I got some faith in the justice system)  
You ain't in the special club  
(I got some faith in the justice system)

"The stupid are a race, which should be prevented  
from  
having political power, over the wiser people"

(I got some faith in the justice system)
